

College of Veterinarians of British Columbia

Notice: Public posting of discipline hearings

Published August 2018

CVBC Bylaws – Part 5 – Complaints, Resolution and Discipline

Public notification of citation or hearing

- 278 (1) Unless directed otherwise by the investigation committee, the registrar must notify the public by posting on the college website one month before the start of a discipline hearing of the following information in respect of a citation issued under section 58(1) of the Act:
- (a) the name of the registrant as the respondent;
 - (b) a description of the nature of the allegations or other matters that will be the subject of the discipline hearing;
 - (c) the date, time and place of the discipline hearing.

Interpretation

The Registrar interprets s. 278(1) to allow posting on the College website more than one month in advance of hearing dates, provided that the registrant has received formal notice of the citation. Where circumstances arise which suggest it would be necessary or appropriate to post less than one month before the hearing commences, the Registrar will take directions from the Investigation Committee.
