# **Independent Auditor's Report**

## To the Members of the College of Veterinarians of British Columbia

We have audited the accompanying consolidated financial statements of the College of Veterinarians of British Columbia, which comprise the Consolidated Statement of Financial Position as at June 30, 2016 and the Consolidated Statements of Operations, Changes in Net Assets and Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

# Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the consolidated financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

# Opinion

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of the College of Veterinarians of British Columbia as at June 30, 2016 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

## 1. Nature of Operations and Summary of Significant Accounting Policies

Purpose of the College of Veterinarians of British Columbia (the "College") is a statutory self-governing professional regulatory body created and empowered by the Veterinarians Act SBC 2010 c.15 (the "Act") of the Province of British Columbia. Its statutory mandate is to serve the public interest by regulating and upholding the standard of the practice of veterinary medicine in B.C. It does so by setting and enforcing standards of ethical and competent behaviour on the part of its members.

The Act and College By-laws including the Code of Ethics are the means by which the registrants of the College are licensed and regulated. The Act clarifies the public interest mandate and registration, complaint and discipline processes.

The College is a tax-exempt body under Section 149(1)(I) of the Income Tax Act.

The BC Veterinary Captive Insurance Co. Ltd. (the "Captive") is a subsidiary of the College. The Captive issues a directors' and officers' liability insurance policy covering the College and the Captive directors and officers and a comprehensive general liability policy covering the College's general operations. The Captive is incorporated under the Insurance (Captive Company) Act of British Columbia and is governed by the provisions of that Act and related Regulations which require the Captive to maintain a minimum shareholders equity of \$200,000 and minimum reserves of \$100,000. The Captive was in compliance with the \$200,000 and \$100,000 requirements throughout the year ended June 30, 2016.

The College and Captive directors and officers are provided with liability insurance through the Captive while providing their services. Coverage is limited to \$2,000,000 per claim and \$2,000,000 per policy period, with no deductible for each claim.

The College's general operations are provided with liability insurance through the Captive. Coverage is limited to \$5,000,000 inclusive each occurrence and \$5,000,000 in the aggregate, with no deductible for each occurrence, with respect to bodily injury and property damage liability, products and completed operations liability, personal and advertising injury liability, employee benefits, tenants legal liability, and medical payments.

1.	Nature of Operations	s and Summary of Significant Accounting Policies (Continued)
	Basis of Accounting	These consolidated financial statements have been prepared using Canadian accounting standards for not-for-profit organizations ("ASNPO").
		The consolidated financial statements include the accounts of the College and the Captive. The Captive is wholly owned and intercompany balances and transactions have been eliminated upon consolidation.
	Property and Equipment	Property and equipment are recorded at cost. Amortization is calculated using the following annual rates:
		Building- 5% diminishing balance basisFurniture and fixtures- 20% diminishing balance basisComputer and office equipment-20% diminishing balance basisEquipment under capital lease- Straight line over lease termLeasehold improvement- 20% diminishing balance basis
	Revenue	The College follows the deferral method of accounting for revenues. Membership dues are deferred and recognized over the membership year of January 1 to December 31.
		Special levies are recognized as revenue when approved by Council and collectability is reasonably assured.
		Advertising revenues are recognized upon publication. Examination, registration and inspection revenues are recognized when earned over the policy term.
		Premiums received by the Captive in respect of the policy coverage period are recorded when they are earned.
		Interest and other revenue is recognized in the year earned.
	Income Taxes	The Captive accounts for income taxes using the taxes payable method. The taxes payable basis is a method of accounting under which the Captive reports as an expense (income) of the year only the cost (benefit) of current income taxes for that year, determined in accordance with the rules established by the taxation authorities.
	Provision for Unpaid and Future Claims	The Captive records a provision for claims incurred during a particular fiscal year but not reported (unpaid claims) and any future claims based on amounts determined in accordance with accepted actuarial standards in Canada by qualified, independent actuaries. This reserve consists of discounted unpaid claims and loss adjustment expenses, estimated Provision for Adverse Deviation and policy liabilities in connection with unearned premiums.

  - Financial Financial instruments are recorded at fair value when acquired or issued. Term deposits have been designated to be in the fair value category, with gains and losses reported in operations. All other financial instruments are reported at cost or amortized cost less impairment, if applicable. Financial assets are tested for impairment when changes in circumstances indicate the asset could be impaired. Transaction costs on the acquisition, sale or issue of financial instruments are expensed for those items remeasured at fair value at each statement of financial position date and charged to the financial instrument for those measured at amortized cost.
  - **Donated Services** The College and its members benefit greatly from donated services in the form of volunteer time for various committees. The value of donated services is not recognized in these consolidated financial statements.
  - **Discipline Matters** The College records legal fees related to disciplinary actions as they are incurred. Recoveries of fines and costs are recognized as revenue when all matters relating to their realization have been resolved and the amounts are deemed to be collectible.
  - Use of Estimates The consolidated financial statements have been prepared by management in accordance with Canadian accounting standards for not-for-profit organizations. The preparation of consolidated financial statements in conformity with these standards requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates. The most significant areas for estimates relate to legal contingencies, the provision for claims and collectibility of fines and penalties for disciplinary matters provisions.
  - Assets Under Assets under capital lease are leases that transfer the benefits of ownership and are recorded at the present value of the minimum lease payments at the inception of the lease.
  - **Premium Taxes** The Captive is subject to insurance premium tax equal to 4% of gross premiums received or receivable.
  - **Employee Future Benefits Policy** The College has an RRSP contribution plan. The plan is a defined contribution plan and contributions are expensed as entitlement occurs. All individuals who have been employed by the College for a term longer than six months are entitled to a contribution by the College to their RRSP in the amount of 4% of their annual earnings.

# 10. Employee Future Benefits

During the year, the College contributed \$20,775 (2015 - \$21,207) to employees' RRSPs.

Depending on their position, an employee is entitled to at least two weeks of annual paid vacation leave and this increases depending on the position, length of employment and management discretion. These paid vacation days are accrued on a calendar year basis and are available for use in the following fiscal year. A maximum of ten unused vacation days are permitted to be carried forward to the next calendar year. As at June 30, 2016, the College accrued \$19,218 (2015 - \$23,975) for unused vacation and these amounts are included in accounts payable and accrued liabilities.

## 11. Contingent Liabilities

The College is presently involved with a number of legal claims. The College has accrued its best estimate of the costs to conclude such matters in the financial statements. Once the College determines the final costs, if any, the differences in the estimates will be recorded.

# 12. Financial Instruments Risks

The College through its financial assets and liabilities, is exposed to various risks. The following analysis provides a measurement of those risks as at June 30:

(a) Credit Risk

Credit risk is the risk that the College will incur a loss due to the failure by its debtors to meet their contractual obligations. Financial instruments that potentially subject the College to significant concentrations of credit risk consist primarily of cash, shortterm investments and accounts receivable. The College limits its exposure to credit risk by placing its cash and short-term investments with high credit quality financial institutions, in accordance with investment policies adopted by Council. Additionally, the College mitigates credit risk related to accounts receivable by billing in advance of services, aggressive penalties on overdue accounts, and a review of overdue accounts on a regular basis.

(b) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The College is not exposed to interest rate risk as all rates on cash, short-term investments and capital leases are fixed.

(c) Liquidity Risk

Liquidity risk is the risk that the College will not be able to meet its obligations as they fall due. The College maintains adequate levels of working capital to ensure all its obligations can be met when they fall due.
